## **Report of the AGM Of The Psoriasis Association of Singapore 2017**

The 35th Annual General Meeting was held on 20h May 2016 (Saturday)

A talk by Dr. Hazel Oon preceded the AGM.

Mr. Wong Foot Keng (Vice-President) welcomed members and introduced Dr. Hazel Oon, our speaker for the day. The topic of her talk was, “ How to maximize my doctor’s visit- Tips from a doctor”

It was an interactive and engaging talk as Dr. Oon explained what kind of questions the psoriasis patient

can ask the doctor, and how a patient can benefit from having a good communication with his/her doctor.

Some pertinent questions were raised by some members present, during the Q&A session.

Members were also informed that this year’s, WPD, will be held at Nee Soon community centre and its objective will be reaching out to the public and raising awareness about Psoriasis.

After lunch (sponsored by Leo Pharma), the AGM commenced.

Dr. Colin Theng welcomed those who were present and the AGM started with Dr. Colin going through the Report of events from June 2016-May 2017. He added that he had given a talk on Psoriasis to group of Changi Airport staff and had thus helped to raise awareness of Psoriasis to this group.

Dr. Theng then went through the Treasurer’s Report. As the Association has been prudent in its spending and through generous sponsorship of the Pharmaceuticals of various events as well as a generous donation from Michelle Kee and Novartis contribution of \$15,000, we have been able to maintain a healthy balance in our account.

After these two items were passed, the Election of Office bearers began.

The following is the new Committee for 2017-2018.
